Commissioner:

The references cited on attached form PTO/SB/08A&B are being called to the

attention of the Examiner. Copies of the references [in compliance with the requirements of 37

CFR §1.98(a)(2)] are enclosed.

It is respectfully requested that the cited references be expressly considered

during the prosecution of this application, and the references be made of record therein and

appear among the "references cited" on any patent to issue therefrom.

The references cited in this IDS were cited in an Information Disclosure
Statement mailed on September 29, 2005, as References AP to AR. However, the references
were not considered by the Examiner as a copy of each reference was not received.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the
information and references cited are prior art merely because they are in this statement and no
representation is being made that a search has been conducted or that this statement encompasses
all the possible relevant information.

This IDS is being filed before the mailing date of the final Office Action or
Notice of Allowance.

Please charge the IDS fee of $180 to Deposit Account No. 20-1430. Please
deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.
